# Pangkarlangu who was looking for a home

3. A giant monster man came from far away looking for a home.

4. He was looking at a big hill.

“There might be a cave there, a home for me.”

5. When he got close to the hill he saw a cave.

6. He tried to go into the cave .

“No, this cave is too narrow for me. It will squeeze me.”

7. He saw another hill far away.

“There might be a wide cave there, a home for me.”

8. When he got close to the hill he saw a cave.

9. He tried to go into the cave.

“No, this cave is too small and shallow. I can't fit inside.”

10. He climbed up the hill. He saw another hill far away.

“There might be a big cave there, a home for me.”

11. When he got close he saw a big cave up high.

12. He tried to go into the cave. Lots of dingoes came racing out. The monster man ran off frightened.

“ NO that cave is the dingoes home.”

13. He climbed down quickly. He went around the hill. Then he saw another cave down the bottom.

“Oh lucky me. This cave is big and wide, a good home for me.

14. The monster man sat down happily inside the cave.

“Yes this is my home If any other people come here I'll kill them and cook them.”
