

Puturr-puturpa

Scabies

Scabies is caused by a little bug that lives under the skin.

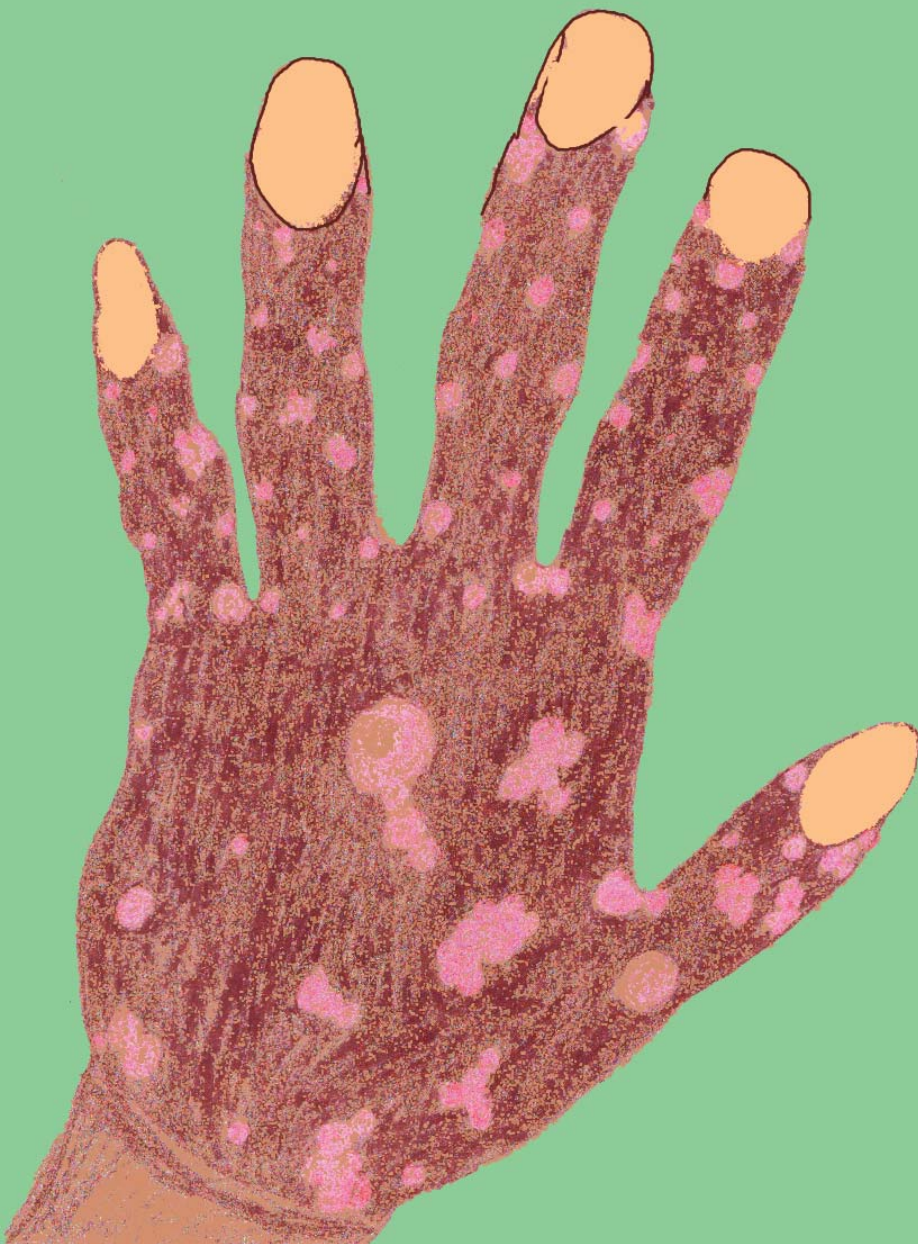

Puturr-puturupa ngulaju wita-nyayirni punku-nyayirni lutu-piya kanunju pingingka.

Scabies can make you sick, itchy and tired.

Puturupa-puturparlu kangku nyurnu-mani, pinti , manu mata-nyayirni.

Why are my scabies worse
than others?

Nyiya-jangka puturrrpa-
puturrrpa ngaju-nyangu punku-
juku yapa-kari-kirlanguku?

If you notice that you or some-one in your family has scabies, go to the clinic and ask for the scabies cream. Put the cream on from neck to foot.

← Scabies
Sore

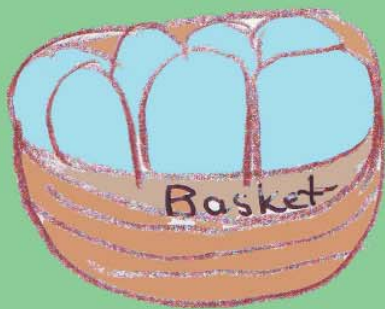

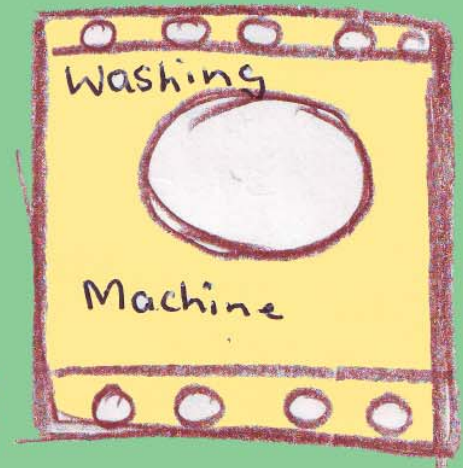

Wash your sheet, mattress, blanket and clothes. Put them in the sun to dry. Scabies mites don't like the sun.

*Parljika nyuntu-nyangu jiiti,
mattress, wawarda manu kuluju.
